Membership Conditions

Enrollment Fee

Everyone must pay a \$35 enrollment fee at the time of registration. This fee is nonrefundable and nontransferable.

Payment Date

Membership payments are due by the first of the month. A \$15 late fee may be assessed for payments made after the first of the month. Membership payments are automatically charged to your credit card unless your request otherwise. Please notify us of any changes before your next payment is due. There is a \$25 fee for bounced checks.

Freezing Fee

You may freeze your membership at any time for a \$25 fee. This allows you to stop your membership for as long as you require.

During a membership freeze, you may not use make-ups. You may attend classes and pay as a drop-in or buy a set of classes.

Make-ups

Make-ups can be used as long as your membership is current. You have 12 months to take your make-ups. You cannot use make-ups to extend the length of your membership.
